

BUBBLY

California Sparkling Wine

HARVEST INFORMATION

The grapes for our white champagne, **BUBBLY**, are harvested from **select** vineyards throughout California. They are picked **early**, when the **bright acidity** is perfect for sparkling wine, gently pressed, and fermented in stainless steel to preserve the **fresh fruit** flavors. After the base wine is dry, the dosage is added and the second fermentation takes place under pressure, creating the **bubbles** which make this wine so **captivating**.

TASTING NOTES

BUBBLY is a **delicate, fruit-forward** sparkling wine, which is **versatile** enough for any occasion. Bright aromas of **ripe apple** give way to luscious notes of **white peach** on the palate. Its fine mousse (bubbles) lifts the fruit character and makes the wine a delightful and **refreshing** addition to any light cuisine, and a decadent treat with **foie gras** and **potato chips!** But this sparkling wine is not just for celebrating. Enjoy **BUBBLY** with **meals**, on its own as a **cocktail**, or mix it up for the most delicious **kir royals** and **mimosas**.

TECHNICAL NOTES

- Alcohol 11.5% by volume
- TA 0.65 grams per 100 ml
- R.S. 2.8 grams per 100 ml
