

BUBBLY

California Champagne

Bubbly is not just for special occasions! Enjoy it at meals or as a cocktail - or mix it up in a Kir Royal or Mimosa. The grapes for Bubbly are harvested at the peak of ripeness. This, along with skilled winemaking, produces fresh fruit flavors on the palate that finish with a perfect crispness. Bubbly has the aromas of white peaches and Winesap apples. Serve incredibly cold & most of all, enjoy!
